CANCELLATIONS

You have up to two weeks before a booking date to cancel or re-schedule your booking. We do not accept last minute cancellations.

If you have any issues with your booking leading up to your session, [contact your venue](#).

Bookings can only be cancelled at the discretion of Zero Latency PTY LTD. Cancelled tickets will be credited to the purchaser's Zero Latency account.

REFUND & RETURNS

We do not issue refunds for cancellations, a change of mind or gift vouchers.

Please [contact your venue](#) if you are not satisfied with your purchase so that we can resolve any problems.

A refund fee may apply.

LATE ARRIVAL

Sessions are booked back-to-back so you must arrive on time. We recommend that you arrive 10 minutes early to check-in and commence your experience on time. If you are a Zero Latency VR player and members of your booking are late, the following process will apply:

Split Team – When you haven't booked the whole session

If you are part of a split team, we will start the safety briefing on time for all those in attendance. Due to strict time constraints, if the Game Master has started the suit-up process by the time you arrive for your session, we cannot allow you to join.

Whole Team – When all players in the session are your friends

If one of the members of your group is late, you have two options:

- You can start the experience without them but if they do not arrive before you start the experience, they cannot join

- You can wait for them to arrive but your experience will commence and will be cut short
- If you arrive late you will not receive a credit or refund

CHILDREN UNATTENDED

Children are not to be left unattended at the venue. Zero Latency staff members are not responsible for the safety or care of children.

If there is no one to supervise your child, you will be unable to enter the experience. You will not receive a credit or refund.
